15th November 2008

Dear Fellow Rotarian,

Knowing that you have in the past either been a participant in the Rotary Home Exchange Fellowship or have expressed an interest in the program I am writing to invite you to have a look at our website at

[www.RotaryHomeExchange.com](http://www.RotaryHomeExchange.com)

and to consider joining with the many other Rotarians worldwide when you are giving thought to your plans for your next vacation. As you may be aware the RI Home Exchange Fellowship, which was established in 1977, comprises a group of Rotarians dedicated to promoting *Home Exchange* between individual Rotarians as an opportunity for fellowship and service.

For more than thirty years The Rotary Home Exchange Fellowship has assisted Rotarians throughout the world in arranging an exchange of their own home with other Rotarians for brief periods solely for vacation purposes.

During that time there have been several thousand Rotarians who have participated in this very popular and successful Rotary program with which has provided opportunities for arranging exchanges between Rotarians in many fascinating parts of the world including Hong Kong, Malaysia, Thailand, Japan, India, Korea, Brazil, Colombia, Honduras, Venezuela, Mexico, the West Indies, Kenya, Egypt, Tunisia, together with most parts of the U.S., Canada, the U.K., Australia, New Zealand, South Africa and several countries in Continental Europe.

With the recent downturn in the world economy we have experienced an increase in the number of enquiries from Rotarians regarding the program and certainly while the economical advantages of membership are not inconsiderable the principle benefit of membership most participants would agree is the *Fellowship* aspect.

Should you wish any further information please feel free to contact either myself or any other member of our Fellowship Committee. I would also ask you to pass on this information to your District Webmaster in order to bring this program to the attention of your fellow Rotarians

Yours in the Fellowship of Rotary

*Joe Donachie*
